

New Year, New You!

Live patient case studies!

You are invited to a

FREE Weight Loss Community Seminar

Wednesday 6th February 2019
6pm to 8.30pm

Join our specialists and allied health professionals to gain more information on:

- Weight loss issues and why individuals struggle to maintain weight loss.
- How your health may be suffering as a result of your weight.
- Hormonal and genetic factors that affect weight gain.
- Weight loss surgery options available.
- Dietary advice and pre and post weight loss surgery diet regime.
- Plastic and cosmetic surgery following significant weight loss.

Bookings are essential to reserve your spot!
